RODEO DRAWS LARGE CROWD

About four hundred persons attended the Annual Trail-Riders Rodeo held in Freeland last Sunday. Riders from Bay City, Midland, Saginaw, Freeland and as far as Pinconning came to participate in this annual event. In all, fourteen events were featured.

Local riders who won places in some of the events are: Dan Willsie, Becky Coleman, Marilyn Day, Peg Robishaw and John Spindler.

First place winners in the events are as follows: Tom Grandsen, Jim Hogue (2), John Spindler, Ted Lincoln, (2), Dave Hogue, Marilyn Day, Bonnie Atkins, (2), Rena Grandsen, Jay Hall, Jackie Lincoln, Karen Grossman.

Girl's high point winner was Marilyn Day and taking the high point honors for the men, was Ted Lincoln.

The Rodeo Committee wishes to thank all of

the participants and persons who aided in making the event successful.

HIGH SCHOOL BAND UNIFORM FUND

An additional one hundred dollars was recently donated by the Freeland Lions Club to aid in the purchase of the new band uniforms. This brings the Freeland Lions Club aid to the band up to two hundred dollars, since a hundred dollar donation was given earlier this year. The School Band and the Band Booster organization wish to express their appreciation and thanks to the club and to the people who made these donations possible.

WATER TOWER

A very impressive sight that prevails in Freeland these days is the construction of the new water tower that now looms well above

the town. At this writing the structure appears to resemble a missile about to be launched into space. The steel sections of the "globe" are now being welded together and will soon be ready for their placement at the top of the tower. When done, the tower will stand some one hundred and twenty feet high. The completion date is set around the first of September. Now that the bond sale for the fire station is complete, work on that project will begin shortly after the tower is finished.

Some folks are so contrary
that if they fell in a river they'd
insist on floating upstream. —BILLINGS

GOLDEN RULE OF THE ROAD

Share the road by
driving in the proper
lane. Allow ample clear-
ance when passing. Yield
the right of way to
other drivers and to
pedestrians. Give pro-
per signals for turns
and stops. Dim headlights
when meeting or follow-
ing vehicles. Respect
traffic laws, signs,
signals and road mark-
ings. Adjust driving to
road, traffic and wea-
ther conditions---IAPA

THERE'S DANGER IN NUMBERS

Cigarettes are a rel-
atively poor source of
ignition. However, care-
lessly dropped or
smoked cigarettes prob-
ably cause more fires
than any other source.
How come? The answer is
sheer numbers--more than
400 billion cigarettes
were smoked in 1955
alone - about 760,000 a
minute. Only one cigar-
ette in 2 million caus-
es a fire. But divide 2
million into 400 bill-
ion and you have 400,000
fires..(NSC Newsletter)
